

St Mary's Sound & Visuals Desk Rota

December 2018 to February 2019

A quick reminder to everyone about setting up times:

Please aim to arrive in good time so that sound checks, problems etc. can be sorted out before the majority of the congregation arrive. If on Sound, please be in Church at 9.45, so that microphones and sound checks are completed by 10.10.

Visual operators should be setting up at the same time to run through and check the setup is correct as well as ensuring you are aware of any verses that are repeated etc, as well as checking that the PowerPoint, if used, transitions correctly.
